Driving licence (category B) and own car

Profile

Engineering student in Fluid Mechanics, Energy & Environment (ENSEEIHT, Toulouse INP).

Languages

- English: B2 (Cambridge)
- Spanish: A2

Technical skills

Skills:
Basic simulations

Tools:
Microsoft Office, Onshape (CAD), ANSYS Fluent

Programming languages:
Python, LaTeX, FORTRAN

Strengths

- Rigorous
- Hard-working
- Willing to travel

Interests

- Tennis (French ranking 15/2)
- Padel (ranking: 3500)

Looking for a 6-week internship in Engine Mechanics starting June 1st

Currently a 1st year student in Fluid Mechanics at ENSEEIHT

Education

2026 – 2029 ***ENSEEIHT / Toulouse INP***
Fluid Mechanics, Energy & Environment

2024 – 2026 ***Preparatory class for engineering schools (PSI)***
Lycée Paul Cézanne (high school), Aix-en-Provence

2021 ***Lycée Émile Zola, Aix-en-Provence***
French Baccalauréat: Mathematics & Physics-Chemistry, European English section, highest honours (Très Bien)

Professional experience

2021 ***Project quality monitoring – SELERYS, Aix-en-Provence (1 week)***
Quality monitoring for the production of a launcher for a meteorological sounding balloon.

- Checking compliance with the specifications
- Client meetings

Major academic projects

NOV. – JUNE 2026 ***Launch – ASTRE/CNES***
Design and construction of a small-scale rocket.

Extracurricular activities

2020 ***First Aid Certificate***
Level 1
